A moderate self-confidence is the foundation of true manliness of character and the source whence have issued most of the noblest enterprises in the world's history. Nothing great was ever done without a proper self-esteem—a quality which becomes objectionable only when it is permitted to preponderate over better feelings.

The lovely moonlight nights we have been having lately have been the subject of many kind remarks. Swinging on the gate would doubtless have been indulged in by the younger generation had it not been for the fact that we have no gates to speak of in Wa-Weaney. The nights were absolutely perfect.

J. S. Wolf, who went to Washington several years ago, has returned to Trego county with his family and for the coming season will reside upon the Buck ranch near Big creek, and close to his own farm. D. J. Wilson, of Glencoe township, is the republican candidate for the office of district clerk in Trego county. It is a good nomination.—Ellis Review-Headlight.

There is a slight error in the above statement. D. B. Rogers is the republican candidate for the office of district clerk. Otherwise we fully endorse it.

Last Friday a couple of tramps started a prairie fire about four miles west of town and went off and left it. Owing to the high wind the fire spread rapidly, and but for hard work by about 75 men and teams great damage would have been done. As it was about six sections were burned over, and Hall, Houston and Eppler lost their hay stacks and narrowly escaped losing their homes.—Ellis Review-Headlight.

For Sale. At half price, a piano nearly new. Inquire at this office.

Dr. F. H. Conger, of the medical department of the Santa Fe, at Topeka, renews his subscription this week. From outside sources we learn that he has a very successful business.

A teachers' meeting was held at the school house last Saturday, an account of which will be found elsewhere. Some of our teachers, at least, are alive and in earnest and no better evidence can be found of that fact than their efforts to keep up these meetings. Keep an eye on those teachers, living in the vicinity, who attend these meetings and you can easily and certainly determine who are our live, progressive, capable teachers.

Our exchanges are giving A. S. Peacock some very flattering notices. Here is one from the Hoxie Sentinel. We republish from the Wa-Weaney World, this week, a poem from the pen of our friend, A. S. Peacock, of Wa-Weaney. Mr. Peacock has written a number of poems during the past two years, mostly of the James Whitcomb Riley style, and his work is meeting with favorable recognition by several magazines and papers of the better class. We congratulate him upon deserved success.

A telegram was received last Monday announcing the marriage of Mac Marshall and Miss May Kelly. The news created considerable surprise as it was not known that such an event was likely to occur. They were married in Topeka, and came home Tuesday evening. The bride is the daughter of Judge H. S. Kelly, of St. Joseph, Mo., and is known to many in Wa-Weaney, having visited her grandparents, Mr. and Mrs. Judge Harlan here during last summer. Of course everybody knows the groom. He is one of our brightest young business men. We sincerely wish for them a long, useful and happy life together.

Notice to Land Buyers. I have placed with me for sale some 40 quarter sections of Trego county lands, all good farming land and well located. Some rare bargains in the lot. A new boiler has been put in at the pump house and Deatrich feels very proud over it. Considerable wheat and rye is being shipped this season. The republican caucus was very quiet Saturday. Edgar Fike is clerking for Fisher. Considerable of horse trading going on lately. Work has commenced on the Congressional church. Burning fire guards is now in order. MIKE.

These districts have consolidated and will have an eight month's term. Mr. Cruson from Missouri is the teacher. J. L. Farish attended the bell at Wa-Weaney on the 29th and reports a fine time. Sabbath school at Wilcox has been discontinued for the present. Harry Strickler and Miss Carrie Chapman were married last Sunday at the home of the bride. Hiram Snyder's wheat went 24 bushels per acre. He had 1,015 1/2 bushels besides other small grain. James and Emma Wright attended the wedding, Sunday. Preaching at the school house, Sunday at 4 o'clock p. m., by Mr. Hanks, of Wa-Weaney. B. B.

People's Party Convention. The People's Party of Trego county met in delegate convention at the court house in Wa-Weaney, Kan., last Saturday, October 1, for the purpose of placing in nomination a county ticket.

A. B. Cooper was elected temporary chairman and Aaron Cockrell temporary secretary, and the following committees were appointed:

Credentials—G. W. Tunnell, S. T. H. Baird, I. L. McGarvie, T. O'Toole, Jasper Rogers.

Permanent Organization—J. P. Marquand, S. L. Shorthill, D. Pershing, O. A. Chapman, L. Jarne.

Resolutions—W. M. Rhoades, A. Spenn, E. D. Wheeler, W. T. Brabb, J. F. Hazen.

While the committees were at work a gentleman from Illinois whose name we did not learn entertained the convention with several songs.

The committee on credentials reported the following as entitled to seats in the convention.

Wa-Weaney—J. M. Rhoades, George Stevens, O. A. Chapman, S. L. Shorthill, D. Pershing, T. J. Nixon.

Ogallah—J. W. Reynolds, J. P. Marquand, B. C. Rich, M. B. Frogge, A. B. Cooper.

Banner—George Fuller, T. O'Toole, L. Parington.

Riverside—Orrin Joseph, G. W. Tunnell, Gust Sundell.

Wilcox—Jasper Rodgers, J. F. Hazen, G. W. Lynn.

Adair—E. S. Scrivens, Joshua Musgrave, W. M. Brabb, W. T. Brabb.

Franklin—P. O'Toole, John Hoover, M. E. Doerschlag.

Collyer—Lars Larson, A. Spenn.

Glencoe—Donald McDonald.

The committee on permanent organization recommended that the temporary organization be made permanent, which recommendation was adopted.

The committee on resolutions reported. It consisted of an endorsement of the national and state platforms merely. We failed to obtain the resolutions and hence cannot give them as passed.

The convention then proceeded to nominate candidates for the various county offices to be elected this fall.

The names of S. T. H. Baird, S. L. Shorthill and I. L. McGarvie were presented and on the first ballot Baird received 21 votes, S. L. Shorthill, 7 and I. L. McGarvie 3. Mr. Baird was declared duly nominated.

For district clerk A. W. Nuttz and W. T. Brabb were placed in nomination. Mr. Brabb tried to withdraw his name but the convention objected and the ballot resulted in the nomination of Mr. Nuttz. Mr. Nuttz is a pronounced democrat and one of the delegates made a vigorous protest, declaring for the middle of the road style of politics and closed by saying that he hoped that the convention would adhere to principle and if they were defeated they would go down with banners flying. Quite a number seemed of the same opinion.

For county attorney W. E. Saum was nominated by acclamation.

For county superintendent of public instruction Miss Lizzie Cooper was re-nominated by acclamation.

S. L. Shorthill was nominated for probate judge by acclamation.

S. L. Shorthill was elected chairman of the county central committee, and the following were elected members of the central committee from the respective townships:

We are under obligations to the secretary for favors extended, without which, we would not have been able to make such a complete report.
